

PRAYERS

*To Reclaim California for Christ the King
and for the Resurrection of Missionary Zeal.*

ALL AUTHORITY
*in heaven and on
earth has been
given to me.
Go therefore
and make disciples
of all nations
baptizing them
in the name of the
Father and of the
Son and of the Holy
Spirit, teaching
them to observe all
that I have
commanded you;
and lo, I am with
you always, to the
close of the age.
Mt. 28:18-20*

San Junípero Serra, heroic missionary and Apostle to California, in the name of our Divine Savior, Jesus, we implore you to embark once again on a mission of rescue to the beautiful but dangerous land for which you sacrificed your life.

California is now beset with grave difficulties arising from a pervasive spirit of rebellion and lawlessness, the relentless pursuit of wealth, fame, and political power; and the result is widespread moral chaos. The Faith you labored so ceaselessly to establish among the indigenous Californians continues to decline and is in danger of being lost to future generations through neglect, indifference and deliberate assault. In place of that Faith, for which you sacrificed *everything*, many now preach a different gospel—that of worshipping the creation instead of the Creator, and the results have been catastrophic, both for individual souls and for the actual God-ordained natural order. Woe, indeed, for those who now “call evil good and good evil.” (Romans 1:18-25; Isaiah 5:20)

As in life you allowed nothing—including chronic physical pain, the risk of death and constant discouraging setbacks—to thwart your mission, so now do not delay to come to the aid of California in this hour of desperate need to reclaim this land for Christ the King.

Bring with you an army of heavenly intercessors: Your personal patroness and traveling companion, Our Lady of Bethlehem, Mother of the Incarnate Word of God, and Saint Joseph, upon whom you relied to provide for all the needs of your expedition to Upper California under apparently impossible circumstances. Bring also the patron saints of all the California Missions, the angels and archangels, the thousands of Indian souls you prepared for heaven by baptizing and confirming them, your brother Franciscan missionaries and the souls of all the inhabitants of California, clergy and lay, who have remained faithful over the centuries to the teachings of Holy Mother Church. Together, the Church Triumphant, the Church Militant and the Church Suffering can move mountains of resistance to the Reign of Christ the King.

When Our Lord ascended into heaven, He gave his disciples a mission which looked impossible: To make disciples of ALL nations, ALL peoples; and on the Day of Pentecost He equipped them for this mission by giving them tongues of fire so that every soul on the face of the earth could hear, understand and choose to accept Christ’s teaching. And for centuries ardent souls like yourself were recruited by the Holy Spirit to evangelize the nations, many being martyred in the process.

Recently, the Church has lost sight of Christ’s “Great Commission” to save souls with disastrous results. We pray in reparation for this failure, trusting that this wound can be healed and that your example of faithful obedience to Christ’s commands will ultimately inspire a great resurrection of fruitful missionary activity. May God bring about this victory for the Faith through the personal and public witness of all the faithful and thus reclaim California for Christ the King whose universal sacrifice for souls provides the foundation on which His royal authority rests. Amen.

AVE CRUX SPES UNICA

San Junípero Serra's reliquary "Caravaca" Cross. Believed to contain a fragment of the True Cross, it was brought from his birthplace in Mallorca, carried with him to Spain, Mexico and California and was buried with him.

Merciful Lord Jesus, the sacrifice You made, the price You paid for sinners of all times and places is our only hope. We bring to the foot of Your Holy Cross, the Altar on which your sacrifice was made, our burdens of grief, guilt, and trauma, the sins we recognize and regret and those still unconfessed because we have not yet had the courage to face them.

We bring to Your Holy Cross our unrealized hopes, our feeble efforts to pray effectively and practice virtue and our genuine desire to please You and do as You command, trusting You will accept these offerings for the cleansing of California and all the nations. As You transformed water into wine You can take these unworthy gifts, sanctify them, multiply them and use them to save countless souls.

Then may we see once again Your Holy Cross carried to every corner of the earth by armies of faithful missionaries and publicly displayed as a sign of Your Divine Right to make claims on our love, our loyalty and our obedience to the Laws of God. Amen.

Lord Jesus, Divine Missionary sent by the Father to the fallen human race, all honor, glory, love and obedience belong rightly to You. Every right, favor and privilege we may now enjoy comes to us from Your generosity or forbearance through the immaculate hands of Your Holy Mother. As both she and San José provided guidance and loving support to You in Your infancy and youth, may they both now guide all of us who, in response to Your command and inspired by the witness of San Junípero Serra, seek to make “disciples of all nations,” teaching and baptizing them in the Spirit of Truth You promised would be ours after Your Ascension and until the end of the age. Amen.
